Revival Feb. 26 - 28 Todd West & Dennis Neal

Todd is the founding/lead pastor of Oasis Church in Maumelle, Arkansas. He was previously in full-time evangelism and served as the president of Todd West Evangelistic Ministry.

He has also served as pastor of three other churches in Arkansas. Prior to entering the ministry, he served as vice president of Potlatch Credit Union.

He received his Bachelor's degree in speech from the University of Arkansas Monticello.

Todd is married to Paige and they have two children, Addison and Riley. He enjoys hunting and sports.

Dennis has been an associate pastor of Faith Baptist Church since 1994. He came to Iowa Park after serving as Minister of Music, Education and Youth at Calvary Baptist Church in Hope, Arkansas for five years.

Dennis is a native of Bokchito, Oklahoma. He graduated from Southeastern Oklahoma State University in 1981 (B.S. in Business Administration). He has attended Southwestern Baptist Theological Seminary and B. H. Carroll Theological Institute, taking courses in Religious Education.

Dennis is married to Sandra and they have a son, Matthew and a daughter, Caitlyn.

From the.....
Pastor's Perspective

Someone sent me a happy birthday greeting on facebook and said, "it is number 35 correct?". I'm writing this the day before my birthday and all I can say is that I wish I felt 35. Since the first of the year I have struggled with a cold or allergies or something and I feel every bit 53! (Whatever that's supposed to feel like.) Well, even though the year has begun a little rough for my body, it's a great start to a wonderful year for our church and our involvement in the work of the gospel.

Please make sure you are here on Sunday, February 5 to hear Shaun Pillay preach in all the worship services that day. Then, on February 26 to 28 we will have three days of revival with Todd West preaching and Dennis Neal leading worship. You will appreciate these two guys ministering with us.

Trust I'll see you faithfully through February.

Your Pastor,
Bro. Scott

Evergreen, our Senior Adult ministry, met Tuesday, January, 17 in the fellowship hall. We had a great meeting and listened to many prayer requests and praises. Local minister, David Markham, brought the program and it was excellent. David has a great voice and a sweet spirit. I think it was one of our best programs. I'm still working on lining up our February program. I would ask that if you are over the age of 55, please come to our meetings, they have really been great lately.

The choir is sounding great. We are rehearsing several new songs that we look forward to presenting this Spring. We are also starting work on a new musical that we will present on Palm Sunday night. We are sort of putting this musical together ourselves using songs that have an Easter theme that are being sung on Christian radio and in churches all over the world. I know you are going to love it.

This Sunday night (Jan. 29th) the youth band will lead the worship. Josh Anderson, who leads the youth worship at Moores Lane, will be playing with our youth band. We met Josh this summer at Mission Texarkana and discovered that he lives next door to the church. Josh and I have led worship for the chapel at ETBU a couple of times, most recently on January the 9th. You will be blessed by his playing and singing.

The e100 Bible Reading is coming along. Make sure you check the blog at www.fbcwve100.wordpress.com for links to the readings at biblegateway.com and each day we are attempting to post some thoughts about the reading that either myself, Tommy Bruce, Kirk Bius or Matt Binning are composing. The passages are not too long. If you get behind just catch up the next day. This is such a worthwhile thing to do. Don't neglect your Bible reading and prayer at the expense of something not important.

I am leading a mission trip to Norwich Connecticut April 12-16 (those dates are not set in stone, but it will be on that week-end) The people at Cornerstone International Church are excited and looking forward to conducting a revival. I need several musicians to go with me to help me lead music. Shaun Pillay and I will preach. We could also use a couple of people to go to help out as we do street witnessing and other ministry while we are there. The trip will be fast and furious.

February 13 will be our three year anniversary here in Wake Village!! Can you believe it? It feels like we're still getting our feet wet. Thanks to everybody, especially the choir and praise band, for being patient with me as I have learned, and am learning, on the job how to lead musical worship. And we can thank God that everyday he is teaching me how to be a minister and a servant to His Church.

It's a been a fun couple of weeks around the student ministry. We've got Little League Basketball kicked off and rolling along. If you want to help out with any devotionals this year let Julie know. She's filling those spots now. Students, earn money for camp by signing up to help out with the concession stand or running the scoreboard and keeping the books.

Hot hearts is coming up as well February 3rd and 4th. The event is Friday evening and Saturday morning. We will meet at the church and leave by 5:45 P.M. on the 3rd and by 8:00 A.M. on the 4th. Kristian Stanfill is leading in worship this year so it will be an awesome event to attend. Cost is \$25 and is due immediately. Make sure you contact me to sign up as soon as possible if you haven't already. We will need a lot of help with Little League basketball the weekend of Hot Hearts since the youth group will be gone. Please keep that in mind and contact me to help out in that area.

Jodi had a great time leading the girls retreat last weekend. They ate dinner and Chili's, watched Beauty and the Beast in 3D and spent the night fellowshipping and studying the Word. I am so proud of her for the role she serves in this ministry and at this church.

Blessings,

John

Dear Church Family,

Thanks so much for all the cards, phone calls and prayers when I fell and when I had ear surgery. It means so much to have such a caring church family praying for me.

As we look back on the past year, there are many good memories and some sad ones. It is with sadness that we think of the loss of Teresa Fitzgerald. My, what a testimony her life was! I personally want to express my appreciation for her service to the church library. Teresa was loyal and so dependable in her service to the library. She will be truly missed! In the foyer of the church, you will see a plaque in her honor.

This plaque will be placed permanently in the church library. We can all take a lesson from Teresa's life of true Christian service.
